- **Max Width:** 440px (default), 500px (tablet/desktop)
- **Padding:** 30px (default), varies by screen size

- **Border Radius:** 20px
- **Backdrop Filter:** blur(8px)

## Input Fields

- **Padding:** 20px 16px 10px 16px (desktop)
- **Border Radius:** 12px
- **Transition:** 0.3s ease for border and shadow

## Buttons

- **Width:** 100%
  - **Padding:** 14px (default)
  - **Border Radius:** 12px
  - **Border:** none
  - **Transition:** 0.3s
  - **Hover Effect:** translateY(-2px)
- 

## Background

- **Image:** Papad.png (background image)
  - **Brightness Filter:** 0.98
  - **Background Size:** cover
  - **Background Position:** center
- 

## Layout

- **Display:** Flexbox (centered)
- **Minimum Height:** 100vh

- **Body Padding:** 20px (default), varies by screen size
- 

## Interactive States

### Input Focus

- Label moves to top (-22px from input)
- Label color changes to #b90404
- Label font weight: 600
- Border color: #fdcb00
- Box shadow glow applied

### Input with Value

- Label stays at top position
- Same styling as focused state

### Button Hover

- Gradient reverses
  - Translates up by 2px
  - Shadow appears
- 

### Notes

- All transitions are 0.3s ease
- Autofill background maintains transparency
- Text selection color: rgba(253, 203, 0, 0.3) with black text
- Border radius consistent at 12px for inputs/buttons, 20px for card
