|          [ Login ]           |
|      [ Forgot Password? ]       |
+-------------------------------------+
```

2. Admin Dashboard

Screen ID: ADMIN-SCR-02

Purpose: Overview of shop performance.

Components:

- Metrics Cards (Sales, Orders, Customers, Revenue)
- Sales Chart (Daily/Weekly/Monthly)
- Recent Orders Table
- Low Stock Alerts
- Top Products
- Order Status Distribution

Buttons:

- View Reports
- Manage Orders
- Manage Products
- View Customers

| [Edit] [Delete]              |
+-------------------------------------+
| [Add Product] [Export] [Bulk Delete]  |
+-------------------------------------+
```

---

4. Inventory Management Page

Screen ID: ADMIN-SCR-04
Purpose: Track and manage stock levels.
Components:

- Stock Overview Table
- Low Stock Alerts List
- Stock Adjustment Form
- Inventory Value Summary
- Stock Movement History

Buttons:

- Add Stock
- Adjust Stock
- View History
- Set Alerts

Diagram:

```

5. Edit Product Page

Screen ID: ADMIN-SCR-05

Purpose: Edit existing product details.

Components:

- Product Information Form (pre-filled)

- Image Management Section

- Stock Details

- Pricing Information

- Category Selection

- Status Toggle

Buttons:

- Save Changes

- Cancel

- Delete Product

Diagram:

text

```

6. System Settings Page

Screen ID: ADMIN-SCR-06
Purpose: Configure system preferences and parameters.
Components:

- General Settings (Shop Name, Contact Info)
- Payment Settings
- Notification Settings
- Delivery Settings
- Security Settings
- Backup Settings

Buttons:

- Save Settings
- Reset to Default
- Test Email/SMS

Diagram:

8. Order Details Page (Admin)

Screen ID: ADMIN-SCR-08
Purpose: View complete order details for administration.
Components:

- Customer Information
- Order Summary
- Delivery Details
- Payment Information

- Status History Timeline
- Admin Notes Section

Buttons:

- Update Status
- Print Order
- Contact Customer
- Add Note

Diagram:
